## General Principles

In accordance with the *Accessibility Standards for Customer Service, Ontario Regulation 429/07*, this policy addresses the following:

- A. The Provision of Goods and Services to Persons with Disabilities;
- B. The Use of Assistive Devices
- C. The Use of Guide Dogs, Service Animals and Service Dogs
- D. The Use of Support Persons
- E. Notice of Service Disruptions
- F. Customer Feedback
- G. Training
- H. Notice of Availability and Format of Required Documents

## A. The Provision of Goods and Services to Persons with Disabilities

BCCL will promote policies, practices and procedures that respect the principles of dignity, independence, integration and equal opportunity by:

- ensuring that all persons receive the same value and quality;
- allowing persons with disabilities to do things in their own ways, at their own pace when accessing goods and services as long as this does not present a safety risk;
- using alternative methods when possible to ensure that persons with disabilities have access to the same services, in the same place and in a similar manner;
- taking into account individual needs when providing goods and services; and
- communicating in a manner that takes into account the person's disability.

B. Assistive Devices Persons with disabilities may use their own assistive devices as required when accessing goods or services provided by BCCL.

In cases where the assistive device presents a safety concern or where accessibility might be an issue, other reasonable measures will be used to ensure the access of goods and services.

### Guide Dogs, Service Animals and Service Dogs

A person with a disability that is accompanied by guide dog, service animal or service dog will be allowed access to premises that are open to the public unless otherwise excluded by law. "No pet" policies do not apply to guide dogs, service animals and/or service dogs.

#### Exclusion Guidelines:

If a guide dog, service animal or service dog is excluded by law (see applicable laws below) BCCL will offer alternative methods to enable the person with a disability to access goods and services, when possible (for example, securing the animal in a safe location and offering the guidance of an employee).

*Dog Owners' Liability Act, Ontario:* If there is a conflict between a provision of this Act or of a regulation under this or any other Act relating to banned breeds (such as pitbulls) and a provision of a by-law passed by a municipality relating to these breeds, the provision that is more restrictive in relation to controls or bans on these breeds prevails.

### Recognizing a Guide Dog, Service Dog and/or Service Animal:

If it is not readily apparent that the animal is being used by the person for reasons relating to his or her disability, BCCL may request verification from the person.

Verification may include:

- a letter from a physician or nurse confirming that the person requires the animal for reasons related to the disability;
- a valid identification card signed by the Attorney General of Canada; or,
- a certificate of training from a recognized guide dog or service animal training school.

### Care and Control of the Animal:

The person that is accompanied by a guide dog, service dog and/or service animal is responsible for maintaining care and control of the animal at all time.

### Allergies:

If a health and safety concern presents itself for example in the form of a severe allergy to the animal, BCCL will make all reasonable efforts to meet the needs of all individuals.

### C. Support Persons

If a person with a disability is accompanied by a support person, BCCL will ensure that both persons are allowed to enter the premises together and that the person is not prevented from having access to the support person.

In situations where confidential information may be discussed, consent will be obtained from the person, prior to any conversation where confidential information may be disclosed...

### Admission Fees:

If payment is required by a support person for admission to a sponsored event, BCCL will ensure that notice is given in advance by posting notice of admission fees for support persons where BCCL fees are posted.

### D. Notice of Disruptions in Service

Service disruptions may occur due to reasons that may or may not be within the control or knowledge of BCCL. In the event of any temporary disruptions to facilities or services that persons with a disability rely on to access or use BCCL's goods or services, reasonable efforts will be made to provide advance notice. In some circumstances such as in the situation of unplanned temporary disruptions, advance notice may not be possible.

Notifications will Include:

In the event that a notification needs to be posted the following information will be included unless it is not readily available or known:

- goods or services that are disrupted or unavailable
- reason for the disruption
- anticipated duration
- a description of alternative services or options

Notifications Options:

When disruptions occur BCCL will provide notice by:

- posting notices in conspicuous places including at the point of disruption, at the main entrance and the nearest accessible entrance to the service disruption and/or on the BCCL website;
- contacting persons with appointments;
- verbally notifying persons when they are making a reservation or appointment; or
- by any other method that may be reasonable under the circumstances.

Information about the feedback process will be readily available and notice of the process will be made available at reception areas and on our website.
