

Sibling Workshops

Sibling Workshops will be available online via Zoom platform for people living in the PEEL region beginning September 2020. Sibling Workshops are offered to children who have a brother or sister with a diagnosis of Autism Spectrum Disorder and/or an intellectual disability.

We offer monthly sessions for children between the ages of 6 and 13 years old. The workshops are developed to focus on sharing experiences, learning about other disabilities and meeting new people.

There is no fee for the online Sibling Workshops!
